OFFICIAL JOURNAL OF THE CITY.

TUESDAY MORNING. : : MARCH 12, 1872. CHEAP FOOD. The ordinary all-rail rate from St Louis to New York, twelve hundred miles, is fifty cents per one hundred pounds, and one dollar per barrel for flour, and from St. Louis to Mobile, six hundred and sixty-seven miles, twenty-two cents per one hundred pounds, and forty cents per barrel for lour. At this rate the freight from all stands Celifornia, with the hand Kansas City to Memphis, four hundred miles, would be about sixteen cents per one hundred pounds, thirtythree cents per barrel on flour, and about two dollars per bale on hay. This would save our people, if the Kansas City road was in operation, at least five dollars on each barrel of flour they consume, and twenty-two dollars at least on each bale of hay. is singled out as the first victim of the Does it need any calculation to show our people that the saving to them on these two articles alone with the selection of the colored vo-ters led by Speaker Pinchback, de-clares he can defeat the administraover, the amount of interest they will be called upon to pay if they vote aid to this road? The grocery trade of Memphis, last year, is estimated at sixteen million dollars. Among all the articles named in the compara-the articles named in the compara-election of members of the legislature tive table of prices, as published a few days ago, the saving would be not lot. Other than this no change will the tail off a coon." less than forty per cent., which would be made in the offensive method of give to the people of this county a voting hitherto adopted. The worst saying in the reduced cost of the staple articles of food, amounting to thereby enabling the church leaders more than the profits derived from all to watch their followers. the cotton brought to Memphis; and this is a benefit that flows directly to groom, who was gossipped about so the people, and affects every one of 1 them, rich and poor, high and low. The great desideratum with Memphis is the securing of cheap food supplies. remembered that the "Queen's book" That is the question which not only made a good many mean people seem affects the future prosperity of our city, but of our county and all the this remarkable occasion the pres surrounding country. It is the basis, praises him and the world feels kindly the foundation of our future growth lowards him. Truly, if a man wait and commercial power. Without it long he will have his time. we can never establish and successfully operate manufactories. Capital will never establish factories where flour costs ten dollars per barrel, and other breadstuffs in proportion, when can be purchased for half the money. Population will not come where the cost of living is so high that it leaves no profit to the artisan and laborer. will bring us, from the great grain and meat supplies of the restaple articles of food for many avenue, New York city, is doomed.

Trade, which is as lawless as the tide, has taken possession of this aristo
oratic abode.

The drink if you'll let me pay for it."

"Oh, yes, we always expect our friends to treat us." We will them be on a footing to conwe will then be on a footing to con-nue hotel it was long ago given up to tend with rival cities on equal terms, business. The fine readway through respects, both to attract the immigrant and to profitably manufacture our own productions. Until we secure this we contend manufacture our own productions. Until we secure this we contend manufacture of the state and with superior advantages in many | Washington Park has made a rush of cure this, we contend upon such une- Blocks of cheap houses are going up peless. The cause of this long persecution of MacNeil I will give in another

RUMOBS AND INCIDENTS. Colonel Wisehart, an old Confede rate officer and a dauntless man, living near Moss Neck, has shot at Lowery several times, but always missed him, and once surrounded with a posse the outlaw's cabin, but he got off so mysteriously that they allege to this day that he had an underground

Lowery is said to whip his wife sometimes, and to have threatened also to shoot her, on the occasions of her reproving his long absences. Some time ago she came, according to rumor, to a store at Lumberton, and remarked:

day, and said he meant to kill me, and I told him to fire it off—not to stop for me." The negroes charge that these stories are without foundation, and Dep-uty-Sheriff Brown admitted to me: Lowery will never leave this

"Because he loves his wife, and will not leave her whereabouts." I give some further rumors for what Henry B. Lowery is not a good shot, except at close quarters—so says Bose rong. The Boss remarked at Moss Neck one day: "Henry is nothing much with that Spencer rifle, nor his shot-gun,

but Steve Lowery can shoot

Some of the Scuffletown negroes say differently, and give marvelous instances of the accuracy of eye and nerve of both Henry Berry and the majority of the gang. HE CEBTAINLY GENERALLY KILLS when he does shoot. Here is an instance of his coolness. A Mr. McRae, who lives on the limits of Robeson county, removed from the immediate country of the bandits, got off with other passengers at Moss Neck a few

weeks ago, and said aloud, familiarly:

"Where does this rascal, Lowery, keep himself? I'd like to see the vil-A whitish negro, standing near by, unarmed, said coolly: "Well, sir, if you'll step this way I'll show him to you." This was Tom. Lowery. The as As for chorus, straight hair, whose body was girt all
